

Bill Mollison and Geoff Lawton
combine forces to teach the

PERMACULTURE DESIGN CERTIFICATE COURSE

**Monday 20th September through to
Saturday 2nd October 2010 at
Trinity College, Melbourne University**

*“This course has already changed a lot of the world –
Come help us finish the job!”*

Bill Mollison

BILL MOLLISON, the legendary Permaculture teacher, promoter and designer – who, over 26 years of non-stop travelling, designing, teaching and writing, personally planted the seeds of Permaculture in over 120 countries. Bill is the founding Director of The Permaculture Institute, the first and longest running Permaculture Institute in existence.

GEOFF LAWTON is world renowned for field expertise and extensive teaching experience in the ecological “badlands” of Earth, areas of extreme cultural conflicts, as well as more friendly environments. Founding Director of the far reaching Permaculture Research Institute. Geoff is working in more countries and co-ordinating more projects on the ground than any other Permaculture Teacher/Designer today.

Earth's ecosystems are in crisis. Permaculture offers practical, sustainable solutions. You can be part of the exciting adventure of positive world change.

Several evening events are also scheduled.

Bill Mollison with Kelly and Julie Pagliaro from Las Vegas, Nevada at the Permaculture Design Course held in January, 2008 at Melbourne's Trinity College.

"This permaculture design course was a transformational experience for our family. The way we look at the world and the people in it has changed forever. As Bill told Kelly, "You'll never be the same again"! We couldn't agree more!"

Julie Pagliaro
